Since I am proceeding on three weeks leave at the end of this week I felt it best to deal with your request as rapidly as possible. I have taken the easy path and on perusing the Dubbo telephone directory find that the father is still listed.

For your information Dubbo is a city of around 32,000 people situated about . . . It is a centre for wheat, wool, cattle and vegetables and has a tourist industry centred around the Western Plains Zoo (a very attractive open space zoo).

On the death certificate the father is recorded as Wool Buyer. In the telephone directory there is recorded: , WOOL BUYER, DUBBO". Should you wish to write to him the post code for is The telephone number is given as The area dialing code is , for Dubbo, is 068 so that if calling from the U.S.A. you will need to dial the country code followed by . In assessing the best time to call please note that we are at present on daylight saving so that all our clocks have been put forward one hour.
